Warehousing that Works.

High performance space for your business.

Customers at Network Park will benefit from a well-connected location just 3.5 miles north east of Birmingham city centre, in the established Birmingham Heartlands area. Fast access to the Heartlands Spine Road puts you on a dual carriageway network that links directly to Junction 5 of the M6, around 2 miles away, helping you move goods and reach customers with ease.

The A47 gives you a clear route into the Middle Ring Road, the A38M Aston Expressway and the city centre. This makes daily travel straightforward and supports reliable distribution across Birmingham and beyond.

Be part of a strong industrial location, close to well-known occupiers including Greggs, Booker, Smurfit Kappa, DHL, IMI Truflo Marine and Hydraforce Hydraulics. Jaguar Land Rover's Castle Bromwich plant is around 3 miles away, along with other established businesses such as Dunlop Aircraft Tyres. This places customers in a proven environment, with a skilled workforce and an active supply chain nearby.
