Warehousing that Works.

High performance space for your business.

If you're looking for a high-performing, sustainable building that works as hard as you do, then look no further than Indurent 90, Walsall. This unit will deliver benefits for your business, your people, and the environment.

Indurent 90, Walsall will comprise a brand new 90,000 SQ FT warehouse and logistics unit prominently located at Junction 10 of the M6 Motorway, providing direct access to the Midlands motorway network and surrounding towns. The site is easily accessible via the A454 and A4148, with Birmingham and other key regional centres within close reach. The unit benefits from planning permission for B2 (General Industrial) and B8 (Storage and Distribution) uses, making it an ideal choice for occupiers seeking a modern, sustainable base in a prime Midlands logistics location.

The unit will reach practical completion in October 2026.

PV panels fitted to the roof and included at no extra cost.

Carbon neutral on completion.

EPC A+ rating is targeted, placing this warehouse in the top 10% of warehouse in the UK for sustainability.
