We know that people and the planet are important to you – they're important to us too.

That's why all our new buildings are built to our Indurent Standard and have sustainable features as standard, which will help you reduce operational costs whilst realising your ESG ambitions.

The sustainable nature of our buildings also means they are warm, bright spaces in which to work – which is good news for your employees and the environment.

Warehousing that Works.

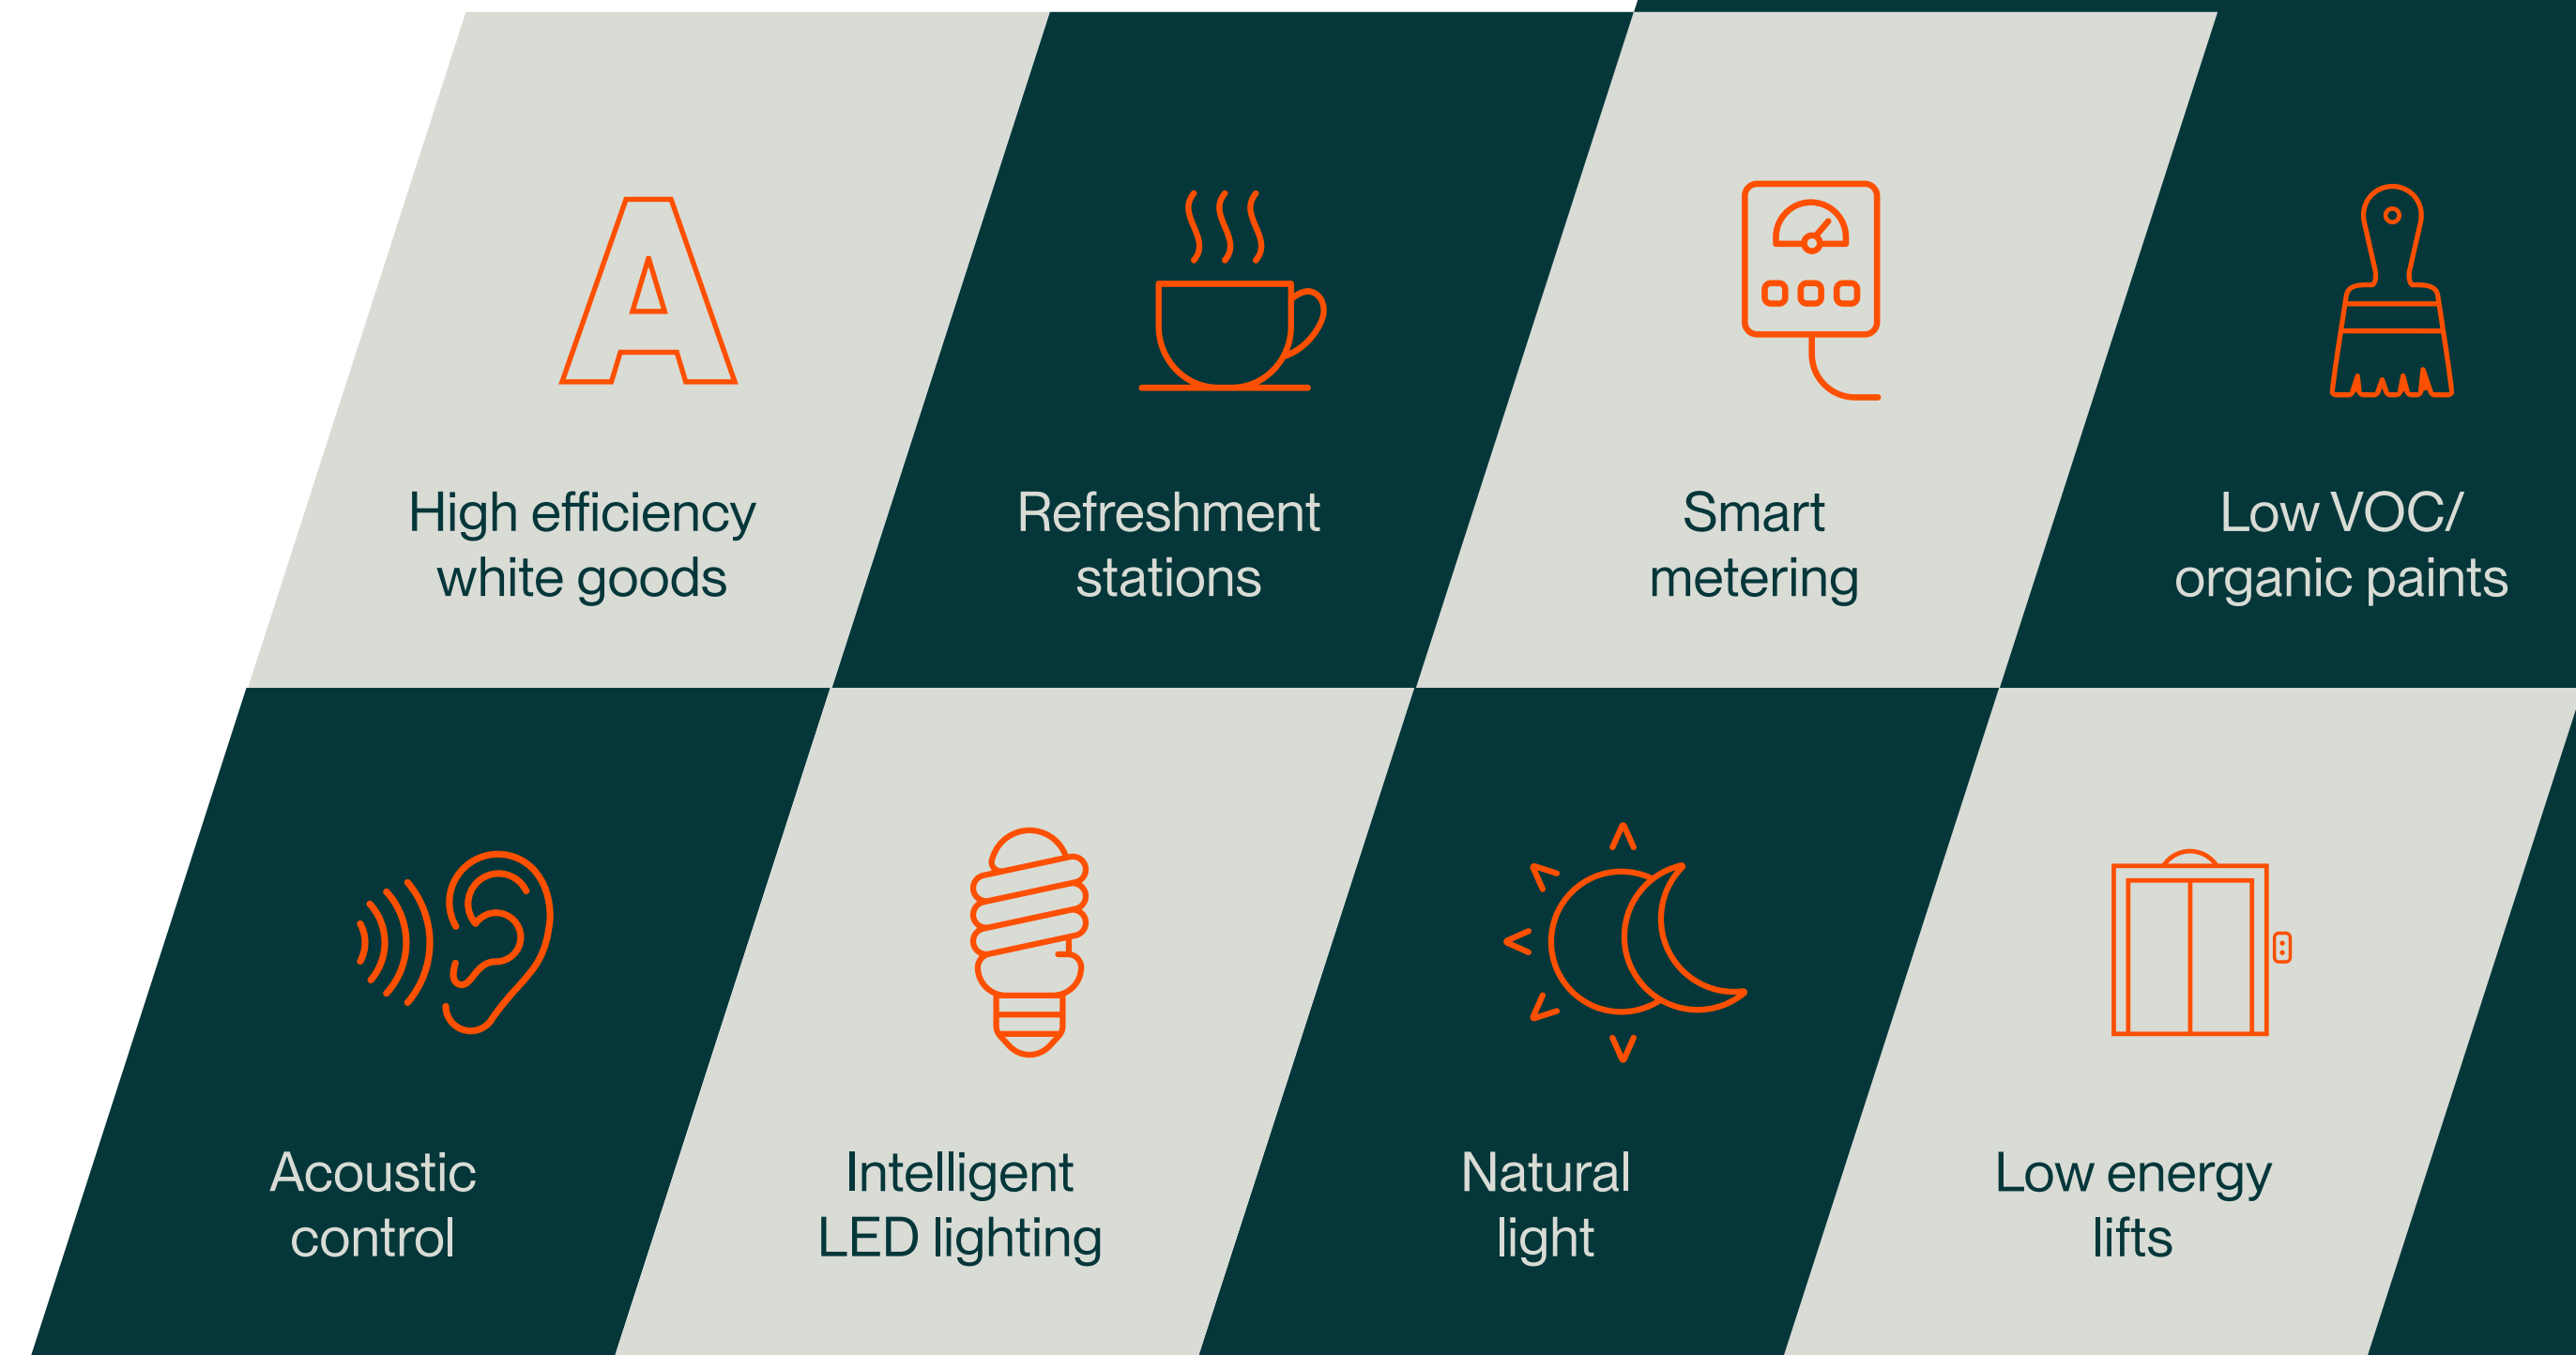

The Indurent standard.

Indurent Parks embody our core purpose – to change places and create better futures.

The Indurent Standard delivers improved quality, sustainable and consistent developments across the Indurent portfolio that impact positively on both the environment and local communities.

Through thoughtful and considered design, we have crafted a philosophy that we believe will have positive and tangible benefits for our customers.

- 75% enhancement on building regulations for air leakage
- 30% better than current requirements for embedded carbon
- Delivered by industry leading supply chain
- Sustainable environments addressing wellbeing
- Designed for flexibility and low operational cost
- Quality materials throughout
- Operational life cycle recycling
- Flexible office space for future fitout
- Low energy use
- Net carbon zero embedded

Warehousing that Works.

Sustainability at the core.

High quality amenity, office and warehouse specification, designed with the customer in mind, focusing on health and wellbeing, sustainability and net carbon reduction.
